

Color Comparison Chart

FolkArt® Acrylic Colors

For 25 years, artists around the world have chosen FolkArt for its excellent performance, innovative formulas, and amazing color palette. FolkArt artist-quality acrylics offer superior hide, providing unparalleled coverage. Increased open time allows painters to blend, shade and highlight on any surface. Our broad color array and superior batch-to-batch consistency ensure beautiful results every time. Even today, FolkArt remains true to its solid foundation that was laid a quarter century ago – an unwavering commitment to quality, to artists, to innovation.

Now More Than Ever – FolkArt is the Choice of Artists Worldwide!

NOTE: Many of your favorite FolkArt colors are also available in several unique FolkArt formulas: FolkArt Enamels™, FolkArt Outdoor™, FolkArt Fabric™ and FolkArt HD™.

DISCLAIMER: Due to proprietary formulas, this chart is a color “comparison” chart only. The colors listed are the closest match without mixing. Colors identified will provide similar results to the original color listed.
